

ATHLETE'S CONTRACT

Keeping within the philosophy of our club, PASSTRAK, which is to train Track and Field athletes to as high a competition level as they are able to achieve, we the parent/guardian give the coaches and club executive the authority to, at any time, remove or suspend any athlete from any practice or from the club completely, should he / she, in the coaches or the executive's estimation, become detrimental to the training of other athletes, or the club in general.

The club and coaches strongly encourage each athlete to train with the intent of competing as often as possible.
